Teachers are good in their own field....but they need more new skill to teach tha children... especially they have to learn teaching aid .

**Your vision for the College \***

As a ex student in this college..I feel proud myself.. and I would like to suggest everyone out there that if you really want to do something big and you are not able to take your admission in any other state...then what I felt that BMC is the best option to continue your education in your own state.
